

Do you know Chinese restaurant has two versions of menu ?

<https://youtu.be/xNiany7dVxk>

YouTube description: Video about "Do you know Chinese restaurant has two different version of the menu?" people taste the traditional Chinese food. If you want to know the answer, check my video, please!

Explainer: My video is "Do you know Chinese restaurant has two versions of the menu? " I interviewed students and let them taste the traditional Chinese food named: "Tomato with egg." They like the dish. Not all of them know Chinese restaurant has two versions of the menu, but they understand that.
